Jaycees Announce Agreement With The San Diego Regional Chamber of Commerce

AMAZING GROWTH OPPORTUNITY NOW AVAILABLE TO ALL SAN DIEGO JAYCEES!

Would you like to build strong business relationships, meet some “movers and shakers” of San Diego and expand your social network? As of October 1, 2002, the San Diego Jaycees became a member of the San Diego Regional Chamber of Commerce. What does this mean? Just like our San Diego Chapter is part of a larger organization known as the United States Junior Chamber of Commerce we are now a part of something larger. Each San Diego Jaycee may use this opportunity to build their business, be a voice for young San Diegans, participate in Regional Chamber activities (at little or no cost) and maximize their leadership skills.

There is often confusion between the Regional Chamber of Commerce and the Junior Chamber of Commerce, so please allow me to fill you in if you don't know already. The Junior Chamber of Commerce's primary focus is community service. The Jaycees strive to create a learning atmosphere and encourage individual and professional development of its members. Goal setting and having fun are key to Jaycee success. The Regional Chamber of Commerce is designed to support local business owners and create an environment to promote 'business to business' partnerships. Distributing business cards, shaking hands and filling up the rolodex is the reason for these events.

The San Diego Jaycees provide a supportive network for graduating college students who are adjusting to the career world in addition to preparing Jaycees to be future leaders of the Regional Chamber. The effort to join these two organizations began three years ago with intent to expand the Jaycee movement and build a bridge of opportunity for Jaycee members. In turn, the Regional Chamber wants to hear our innovative ideas.

We ARE the future leaders of the San Diego Regional Chamber and with our Jaycee heart, spirit and enthusiasm we will continue to touch lives for years to come. The future is ours! Let's learn as much as we can today, so we can build on it tomorrow.

Benefits of being a member of The Regional Chamber of Commerce:

- Business After Five Mixers (free entry)
- Jaycees may become an active part in Regional Chamber Committees (excluding Public Policy)
- Membership mailer information (that will be advertised in the Jayscene)
- Notification of all Regional Chamber events (sign up online for email notifications)
- Unlimited Networking Opportunities

Check it out today!

The San Diego Junior Chamber of Commerce (“Jaycees”) has been serving San Diego since 1934. The Jaycees are an international organization of young men and women, ages 21 to 39, providing opportunities for others to develop their personal skills, advance their business careers, and lead in their communities. For more information about the San Diego Jaycees visit www.sandiegojaycees.com or by phone at (619) 645-8594.
